Dear Father Stephen and the Parish Family,

Greetings in the Lord!

What a busy and exciting time! I am writing to you from the Republic of Moldova! I am here learning about the status of youth ministry in the Orthodox Church of the Republic of Moldova. Last month I also did some traveling to Tirana, Albania to participate in the youth camps in Kosovo. I am enjoying every bit of these experiences and, through them, am open to what God may reveal for the next steps of the ministry. Thank you for contributing your prayers and support. Please continue to pray for me. May God keep and protect us all.

In Christ,

Christina Semon

OCMC Missionary to Romania
